all-in-one medical solutions

# SMART-MED Easy Cart

## ERGONOMIC AND LIGHT MOBILE CART

Thanks to the highly ergonomic adjustments, Easy Cart is suitable for sitting and standing work. The cart is very maneuverable. Due to the modular design, the user can have a wide range of different customization options. Whether you need one or two monitors, what kind of working level, with a battery or as non powered, there are many options to choose from to get the right solution for your exact needs. The optional medical grade EN60601-1 power supply ensures low contact and leakage current and also helps meet EN60601-1-2 requirements.
